

# National Operations Cover Letter

913 Lucio ParkwaysSouth Ernestinafurt, IL 03788-3559

**Dear Tatum Nicolas,**

I am excited to be applying for the position of national operations. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for management and oversight of technical staff and processes, tools, applications and budget required to maintain the current and future states of the areas of responsibilities in support of Ascension and Direct Subsidiaries of Ascension.

Please consider my experience and qualifications for this position:

- Prior experience working with industry researcher and research initiatives
- Bringing together our current markets, and building capabilities to ensure further domestic expansion – ensuring our local operations departments are coordinated, working in the same way, in the same direction, providing the linchpin with other departments
- Coordinating with central departments – working with all the supporting departments (central team, product, procurement, ) to ensure both that the AU market has their needs catered for, and they are coordinated with upcoming changes to product, processes and strategy
- A thorough knowledge and understanding of the waste management industry
- Prior experience involving extensive use of Microsoft Office (Word, Excel, PowerPoint, Access, Visio)
- Support of Sales and Recruiting Tools Effectiveness
- Analyze the adoption and sales/recruiting tools and review ratios for improvement
- Gross margin analysis and variance research

**Thank you for considering me to become a member of your team.**

Sincerely,
