

National Sales Cover Letter

81073 Wyman Alley
New Winfredshire, OH 26008

Dear Lennon Predovic,

Please consider me for the national sales opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for research assistance by viewing American films and television shows and analyzing the portrayal of torture and interrogation, including identifying trends in these portrayals.

My experience is an excellent fit for the list of requirements in this job:

- Extensive and ongoing industry information gathering through various resources such as trade publications, competitive media and industry functions
- MBA is a significant asset
- Strong interpersonal, communications, and computer skills are necessary
- Demonstrated effective interpersonal, communication (including listening), and presentation skills are necessary
- Work effectively in a mixed environment and use best practices and knowledge of internal or external business issues to improve products or services and to define processes and standards
- Previous experience in power quality or electrical/electronic equipment sales
- Previous experience in the Traffic industry is preferred
- Strong knowledge of electrical and electronic components and systems, and a working knowledge of power quality and its implications

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Shiloh Hane
