

NET Software Developer Cover Letter

991 Steven PortsLake Juanaberg, OR 84708

Dear Indigo Nitzsche,

I would like to submit my application for the NET software developer opening. Please accept this letter and the attached resume.

Previously, I was responsible for software analysis, design, coding, and testing technologies for advanced-staged research and development projects.

Please consider my experience and qualifications for this position:

- NoSQL/SQL Databases (MongoDB, Neo4j, .)
- Windows Forms (for our thick client work)
- MS Certified Developer
- Net Framework 4.0 and higher
- WFC Services
- Windows Identity Foundation
- SQL Server management tools
- IIS management tools

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Bellamy Morissette
