

.NET Technical Lead Cover Letter

3840 Cronin ClubHuishire, HI 12177-2486

Dear Tyler Ziemann,

I would like to submit my application for the .NET technical lead opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical assistance to customers on the web services and API's they are developing to for their project.

Please consider my qualifications and experience:

- Experienced with agile development processes (Scrum, XP)
- Demonstrated strong .Net skills in a team environment
- Proven and hands-on technical skills
- Demonstrates technical leadership on a project team
- Is innovative and looks for better, more efficient ways to utilize technology
- Able to interface with and communicate with client executives and managers in a professional manner
- Significant experience in matching the appropriate technologies to business needs
- Solid track record for providing technology innovation that offers value for clients

Thank you for considering me to become a member of your team.

Sincerely,

Charlie Lehner
