

.NET Technical Lead Cover Letter

11985 Marcie Roads East Mariann, IN 18777

Dear Avery Watsica,

I am excited to be applying for the position of .NET technical lead. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for timely and useful information to the project leader to assist with detailed project planning using project management methods and tools.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience building and designing web services
- Experience working with IOC container and Unity
- Experience working in a Continuous Integration & Deployment Environment
- Experience working with open source/non-profit projects
- Experience working with Amazon Web Services (AWS) services and technologies
- Strong understanding of building cloud native application
- Knowledge and experience working with SQL Server and Reporting Services
- Experience working on large .NET development projects

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Shiloh Kub
