

# Network Development Cover Letter

953 Durgan FerryDooleyshire, MT 01555

**Dear Gray Ullrich,**

Please consider me for the network development opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for I1 network support assist with basic troubleshooting of router and network connectivity issues.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Information Security Management experience (Firewall, IDS/IPS & IPAM)
- Familiar with Virtualisation hypervisor network product (vmWare NSX, vCD Edge)
- Good working knowledge with AWS &/Azure
- Good working knowledge with EMC DD Avamar, TrendMicro, CommVault, SolarWinds, vmWare vRealize, ServiceNow
- Proficient English skills in written and verbal
- Interest in software development and workflow automation, ArcGIS Python or similar
- Additional Skill
- Basic knowledge of routing, switching, loadbalancing & firewalls

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Azariah Leffler
