

Network Development Cover Letter

74909 Wisoky IsleWest Shawn, WV 60633

Dear Haven Auer,

Please consider me for the network development opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for up to level 3 technical support, including troubleshooting of network risk related issues, network security and network device health analysis.

My experience is an excellent fit for the list of requirements in this job:

- Should be able to talk confidently to a group
- Should be able to perform tasks with speed & accuracy
- Able to learn and apply new skills quickly and effectively
- Demonstrable interest in technology, including new and innovative technologies
- Self- starter who takes the initiative, can deal with pressure, and is ready to self-learn
- Interest in the technological and consumption changes facing the media industry
- Knowledge of Provider reimbursement/contracting preferred
- Strong RF, microwave, and mmWave technical knowledge, including RF parametric measurements

Thank you for considering me to become a member of your team.

Sincerely,

Shae Reilly
