

# Network Development Cover Letter

2501 Waelchi Highway East Oretha, NC 14499-9889

**Dear Peyton VonRueden,**

I submit this application to express my sincere interest in the network development position.

In the previous role, I was responsible for technical concurrence and sign off for high profile and/or critical network changes on major BT core platforms and/or customer bids; accountable for managing technical risk for major platforms.

Please consider my experience and qualifications for this position:

- Healthcare industry experience including IPA management
- In-depth knowledge of corporate finance, debt, equity and hybrid capital markets transaction structures
- Excellent written and spoken communication skills permitting internal and external parties to comprehend complex opportunities, trade-offs and implications of diverse strategic alternatives
- Experienced in negotiating and working toward mutually beneficial solutions
- Fundamental management skills in planning, organizing and delegating
- DevExpress (Control Plug-in)
- Presentation – compile relevant sales and business intelligence information to clearly convey a specific message
- Detail Oriented – develop a methodology to make certain all published reports are accurate

**Thank you for your time and consideration.**

Sincerely,

Riley Zulauf
