

Network Engineer Voice & Network Cover Letter

7650 Pfannerstill BurgsTyronmouth, NJ 55199

Dear Oakley Hagenes,

Please consider me for the network engineer voice & network opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for design, hardware procurement and third level support of the Humana Wireless environment, including Voice / Data / Video network.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Have strong Linux & Networking Skills
- Troubleshooting Expert
- Love Telecom Technologies
- Provide technical design and project services for key external stakeholders
- Secure funding for proposed design via internal process and technical document review
- Configure network hardware
- Document deployments and configuration operations
- Contribute to network infrastructure strategy

Thank you for considering me to become a member of your team.

Sincerely,

Royal Hettinger
