

New Accounts Cover Letter

518 Greenholt RiverWizabury, VA 16288

Dear River Medhurst,

I submit this application to express my sincere interest in the new accounts position.

Previously, I was responsible for responses to Product Marketing and Development organizations on the customer experience with Lexmark products and solutions.

Please consider my experience and qualifications for this position:

- Strong sense for business trends distinct customer obsession
- Experience in Risk Management, and strong working knowledge of the Japan Market - Regulatory and Compliance requirements for acquisition and Collections
- Results oriented and self-motivated with an entrepreneurial spirit to drive new ideas and change across functions/businesses
- Demonstrated strategic and tactical idea generation and execution
- Exceptional relationship management skills with a proven track of positively collaborating & influencing internal and external partners
- Demonstrated experience in proactively driving policy and responding to developments, new requirements and new legislation imposed by agencies
- Perform the book of record update function for all Wealth accounts support the documentation functions in support of Managed and Registered account processes
- Perform the book of record update function for the Wealth businesses act as the principle New Account resource for the PIC

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Corey Strosin
