

NOC Analyst Cover Letter

61168 Virgil Estates East Johnie, LA 02758

Dear Casey Kessler,

I am excited to be applying for the position of NOC analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for direction to staff on technical support activities related to network surveillance, service administration, and incident management.

Please consider my experience and qualifications for this position:

- Advanced knowledge of Data Network Devices including but not limited to Routers, ATM & Ethernet switches and DSLAMs
- Service Provider experience is highly preferred
- Have highly effective written and verbal communication skills for both Technical and Managerial areas
- Possess advanced problem solving and critical thinking skills
- SME in Internetworking to support product deployment projects
- Excellent understanding of network architecture, technology, dependencies and interactions
- Working knowledge of 5 or more of the following
- Telecommunication and wireless experience preferred

Thank you for your time and consideration.

Sincerely,

Gray Hoppe
