

# NPI Project Manager Cover Letter

583 Quigley PortsHettingerchester, AR 68448

**Dear River Kohler,**

I would like to submit my application for the NPI project manager opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for support to Production and continuously make efforts to improve the current manufacturing process for cost efficiency and cycle time reduction within manufacturing.

Please consider my qualifications and experience:

- May informally direct/supervise junior level development scientists as assigned
- Strong knowledge on NPI processes, activities, check list
- Experience with the dynamics that drive the supply chain in manufacturing contexts strongly preferred
- Continues improvement mind set and hands on / active personality
- The job holder would need relevant experience in project and programme management skills with a working knowledge of Operations, Product and Marketing
- Evaluate and implement continuous improvement
- Experience as an Associate in Project Management, Sr
- Experience with Agile and Oracle will be an asset

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Armani Abernathy
