

Nurse Aide Cover Letter

538 Tamiko Island East Leontown, PA 42057

Dear Rory Bashirian,

Please consider me for the nurse aide opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for competent direct care and ensures the provision of a safe and comforting environment resulting in a high level of patient satisfaction.

Please consider my experience and qualifications for this position:

- Registration as a Nurse Assistant or Certification preferred
- Reports any suspected or known resident abuse to Director of Nursing or Administrator immediately
- Follow all safety, security, infection control, quality and hazardous materials policies and procedures
- Responding to resident and family needs respectfully and with a positive manner in all interactions
- Complying with procedures for infection prevention including, but not limited to, hand washing, transmission-based precautions, TB and Hepatitis B requirements and blood borne pathogen regulations
- Maintains order at the outreach point
- Cleans the instruments after use and ensures that the team has sterile packs always to ensure infection control practices
- Measurement and recording of vital signs, such as temperature, blood pressure, pulse, or respiration rate, as directed by medical or nursing staff and reports all abnormal observations

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
