

Nurse Aide Cover Letter

378 Andreas DamHiramtown, SD 25360

Dear Onyx Leuschke,

I am excited to be applying for the position of nurse aide. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for for the physical needs of the customer through observation and cognitive abilities.

Please consider my experience and qualifications for this position:

- Set up patients for meals, assisted with meals if needed, or fed if unable to do for self and document amount of meal taken
- Answer signal lights promptly on all patients on unit, not just assigned patients
- Practice as a team member in delivery of care
- Admits assigned patients to nursing floor, accurately records on assessment sheet, TPR, WT, HT, BP, O2 SAT, and completes orientation to call light and room within 20 minutes of patient arrival
- Performs routine procedures such as vital signs, weights accurately, based on standing orders or medical providers orders and records results on flow sheets or charts
- Documents intake and output accurately and gives results to the charge nurse one hour before the end of the shift
- Accurately identifies all patients prior to procedures or tests and collects all specimens as assigned by charge nurse following proper procedure for collection and labeling
- Patient's rooms are kept clean and orderly with garbage removed as needed, linen picked up and patient belongings kept in proper place

Thank you for your time and consideration.

Sincerely,
