

Nurse Aide Cover Letter

48983 Alise Overpass South Elbertview, SD 96505

Dear Lennox Kreiger,

In response to your job posting for nurse aide, I am including this letter and my resume for your review.

In the previous role, I was responsible for assistance with activities of daily living, attend to individual care needs and get to know their unique preferences and personalities - Notify management of changes in condition and recommend adjustments in the level of care and service - Assist residents in life skills and other life enriching activities as indicated on their individual profile - Blends a variety of multi-sensory experiences into the resident's day.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- The Nurse Aide provides care according to the patient needs as directed by the clinician
- The Nurse Aide collaborates with other health care team members to enhance the provision of patient care
- Take vitals (blood-pressure, pulse, temperature, and respiration) according to established procedures
- Measure statistics - record intake and output, height, and weight
- Obtain routine lab samples not requiring laboratory personnel
- Help patients with ADLs (activities of daily living) for which they need assistance, such as bathing, combing hair, brushing teeth, shaving, putting on stockings and/or slippers, dressing, ambulation, and toileting
- Help patients with equipment for their treatment and help patients to move, transfer from bed to chair, or transport them to other departments for testing or treatment
- Keep patients rooms clean and orderly

I really appreciate you taking the time to review my application for the

Sincerely,

Tatum Connelly
