

Nurse Aide Cover Letter

47944 Von Stravenue Kleinton, UT 67681

Dear Frankie Skiles,

Please consider me for the nurse aide opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for compassionate support with activities of daily living and basic personal care needs.

My experience is an excellent fit for the list of requirements in this job:

- Patients are set up for meals, assisted with meals if needed, or fed meals if unable to feed self
- Call lights are answered promptly on all patients and any requests by patients are given to appropriate personnel
- Follows Fall Committee recommendations for patient alarms and bed safety
- Cares for patients demonstrating clinical competence in implementing a plan of care
- Performs interventions to enhance psychosocial support
- Provides/assists with care to support physical function for activities of daily living, such as toileting, bathing, feeding, and ambulation which allow residents to achieve their highest practical level of function
- Documents according to facility guidelines to accurately reflect care provided immediately after performing procedure or task
- Specifically related to oral care/denture care

I really appreciate you taking the time to review my application for the position of nurse aide.

Sincerely,

Sawyer Ratke
