

OB Nurse Cover Letter

659 Paris CliffNew Paul, AK 81503-8628

Dear Story Brakus,

I am excited to be applying for the position of OB nurse. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for care appropriate to the age of the patients / clients served (ie: adult, and geriatric).

Please consider my experience and qualifications for this position:

- Assesses antepartal, intrapartal, and postpartal patients for risk factors, normal progress, and symptoms of problems
- Demonstrates appropriate management of the normal newborn
- Uses respectful family dynamics and processes in providing individualized patient care
- Appropriately assesses and follows up on fetal heart rate monitoring
- Manages obstetrical emergencies in a calm and efficient manner
- Current Iowa RN license
- Educational background consistent with requirements for licensure and certification within the state of Indiana
- Proven experience management of office practice, treatment services and data collection analysis

Thank you for your time and consideration.

Sincerely,

Corey Hane
