

OB Nurse Cover Letter

278 White Trail Donntown, MO 09363-0603

Dear Story Brakus,

I submit this application to express my sincere interest in the OB nurse position.

In my previous role, I was responsible for care appropriate to the age of patients served in the Center.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Current California RN licensure BLS within 60 days of hire
- Effective skills in communication, problem solving, interpersonal relationships, and
- Woman's Health experience is preferred
- Certifications – American Heart Association (BLS for Health Care Providers)
- Current NRP and C-EFM
- BSN Preferred, L&D experience preferred
- American Heart Association BLS for Health Care Providers and IV certification
- Medical office experience with references

I really appreciate you taking the time to review my application for the position of OB nurse.

Sincerely,

Landry Feest
