

Occupational Health Nurse Cover Letter

48743 Roseline RestBechtelarton, WV 45232-3734

Dear Dallas Bergstrom,

I submit this application to express my sincere interest in the occupational health nurse position.

In the previous role, I was responsible for individual counseling sessions to employees on health maintenance, results of health screenings and health promotion activities; provide pre-employment and random drug and alcohol screening of employees as requested by client companies; recommend, purchase, and maintain medical supplies and equipment necessary for the optimal functioning of the occupational health service of client companies. Collaborate with other on-site members of the occupational health team such as occupational medicine physician, industrial hygienist, safety engineers, management and union representatives, etc.; participate in continuing education to update knowledge of occupational health and safety including legal regulations applicable to occupational health and safety.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Active State of Missouri RN license in good standing
- Certification in NIOSH approved Spirometry and CAOHC approved Audiometry preferred
- Certification in Adult CPR/AED
- Assess the appropriateness of care for work related injuries
- Performs computerized tracking of officers use of medical time
- Working knowledge of standard office computer software
- Current certification as Basic Life Support CPR/AED Instructor
- Experience in an Occupational Healthcare setting

Thank you for considering me to become a member of your team.
