

Occupational Health Nurse Cover Letter

90206 Lebsack CrescentNorth Darioshire, IN 03237

Dear Lennon Swift,

I am excited to be applying for the position of occupational health nurse. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for occupational health surveillance testing including pulmonary function testing, audiometric testing, vision screening, and other testing as appropriate on employees identified by EHS and industrial hygiene monitoring.

Please consider my qualifications and experience:

- Requires cross-training and coverage of colleagues
- Certified Occupational Health Nurse (COHN) or willing to pursue preferred
- Experience achieving business results through interdependent partnering activities preferred
- Hearing conservation and spirometry certifications preferred, but will be acquired within 6 months of hire
- Certified Registered Nurse licensed in the state of Texas
- Certified Registered Nurse licensed in the state of California
- Knowledge of applicable federal, State of California and local regulations, including workers' compensation laws
- Proven excellent verbal and written, interpersonal, and customer service communications skills

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Dakota Fay
