

# Occupational Health Nurse Cover Letter

4039 Batz LocksLucianaburgh, KS 96410

**Dear Morgan Wilkinson,**

I would like to submit my application for the occupational health nurse opening. Please accept this letter and the attached resume.

Previously, I was responsible for for job placement, periodic and exit physicals according to American Disability Act (ADA), Affirmative Action and Lead Standard.

Please consider my qualifications and experience:

- Current Registered Nurse license in NJ
- Phlebotomy proficiency
- Conducts clinical assessments to assist or determine fitness for work (understands decision-making process to connect work functions to medical condition)
- Travel Health – experienced with risk assessment process for Business Travelers to high-risk areas to include assessment of infectious disease risk, understanding of vaccination schedule, assessment of fitness to travel for personal medical conditions, execution of risk mitigation strategies
- Active Certifications in Drug & Alcohol Collection, NIOSH Spirometry, CAOHC Audiometry, Blood-borne pathogens training and CPR (cross-cover Medical Tech if needed)
- Good business judgment including appropriate escalation to nurse practitioner or physician for complex cases
- Able to produce excellent results, in an environment that requires attention to detail
- Knowledge of OSHA regulations and reporting

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,
