

Office Architect Cover Letter

7016 Kristine RanchMiguelbury, SD 91549-2221

Dear Quinn Douglas,

I would like to submit my application for the office architect opening. Please accept this letter and the attached resume.

Previously, I was responsible for guidelines and best practices in the form of organisation wide design patterns and technology choices related specifically to either Azure Cloud Platform.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Perform the creation and maintenance of Nintex Forms & Workflows
- Have proficiency in JQuery, React, Angular or similar javascript client side framework
- Present findings, recommendations, and specifications in formal written reports and oral presentations
- Perform some Windows Server administration, and assist with the installation of software patches and upgrades
- Work with the DBA to configure and manage database connections
- Document system architectures and topology
- Maintain and meet scheduled deadline date
- Proven experience with Microsoft SharePoint Administration, Configuration and Implementation

Thank you for your time and consideration.

Sincerely,

Skyler Christiansen
