

Old Navy Cover Letter

7787 Rowe HillWest Celenabury, AR 97328-6458

Dear Oakley Crooks,

I submit this application to express my sincere interest in the old navy position.

In the previous role, I was responsible for subject matter expertise to analyze and evaluate UnderSea Warfare (USW) equipment network approaches, methodology, techniques, and products.

My experience is an excellent fit for the list of requirements in this job:

- Demonstrated success working in a cross-cultural environment with multiple stakeholders and evolving priorities
- Experience working and leading within a global organization
- Experience with shore routing templates, configurations, and troubleshooting allowing for verification and troubleshooting of recent changes to shore routing as it pertains to ship networking functionality
- Assist in setting up size profiles for future season
- Assist in sizing and packing quarterly PO's post-buyplanning
- Set up Nova reporting parameters for future season
- ACT Creation and Maintenance
- Provide strategic directions for the allocation team which supports the markets, US, Mexico and Outlet

Thank you for considering me to become a member of your team.

Sincerely,

Zion Macejkovic
