

Onboarding Associate Cover Letter

692 Jeramy HarborWalshmouth, ID 53126

Dear Brooklyn Wiza,

I submit this application to express my sincere interest in the onboarding associate position.

In my previous role, I was responsible for guidance and assist global with staff with AML/KYC related escalations within the European time zone.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- General knowledge on the European tax regime
- Outstanding teamwork and flexibility
- Creative thought leadership with record of turning ideas into action
- Some Financial Services and/or Private Banking industry experience preferred but not mandatory
- General knowledge of Human Resources including employment law, I-9 and benefits
- Able to demonstrates strong verbal and written communication skills with experience of conflict resolution
- Fluent level of French AND English
- Familiarity with KYC/AML and Dodd Frank preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Gray Hodkiewicz
