Dear Sawyer Feeney,

I am excited to be applying for the position of oncology manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for leadership, oversight, direction, clinical guidance and administrative guidance of clinical Managers related to the operations at all Network Radiation Oncology departments.

Please consider my experience and qualifications for this position:

- BLS for Healthcare Providers from American Heart Association
- Knowledge of therapeutic area and NHS payor, procurement, local organisations and stakeholders in the area
- Previous success in gaining protocols/formularies/clinical guidelines for products in the hospital sector
- Understanding of MSD's service & support offerings
- Strong project management skills to aid in the organization, planning, implementation and execution of learning initiatives
- Experience working cross-functionally with other departments and key stakeholders
- MS Office skills (Word, PowerPoint, Excel, Outlook)
- Brand marketing experience, including digital marketing preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Jordan Bergnaum
