

Operation Support Cover Letter

587 Tommie PortsKesslerborough, OK 25173

Dear Sutton Abbott,

I would like to submit my application for the operation support opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for excellent end-user support for software, hardware, printers, fax machines, game consoles, mobile devices, display devices, and telecommunication systems for 250+ users.

My experience is an excellent fit for the list of requirements in this job:

- Deploy as appropriate common processes and tools in line with industry best practices
- Analyse and report on maintenance & integrity performance , to determine systemic performance issues
- Act as technical lead for audit of operating standards
- Act as key focal point /project manager of operations improvement projects
- Manage/maintain the user community for the production loss management tool
- PBOC CNAPS and relevant regulations knowledge
- PBOC ECDS and relevant regulations knowledge
- Supply Chain Product knowledge

I really appreciate you taking the time to review my application for the position of operation support.

Sincerely,

Azariah Cartwright
