

Operational Accounting Cover Letter

979 Fahey MotorwayLake Freddymouth, IA 81843-6744

Dear Drew Hansen,

I am excited to be applying for the position of operational accounting. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for leadership and direction to the operations team setting both near term, and long term operational and strategic objectives.

My experience is an excellent fit for the list of requirements in this job:

- Participate in special projects and committees
- Established business systems aptitude, including experience with ERP (SAP) and Business Information warehouses, should understand IT process
- Project management experience, including design, implementation and change management
- Proficiency using Microsoft office to perform business analysis, communicate, and deliver strategic and professional presentations
- Expertise in SAP FI (Financial Accounting) and CO (Controlling) preferred
- Proficiency with GAAP (Generally Accepted Accounting Principles), and implementing strong internal controls
- Experience with a mid to large ERP system, MS Dynamics ERP system (Great Plains) preferred
- Experienced in previous client facing role

Thank you for considering me to become a member of your team.

Sincerely,

Phoenix Emmerich
