

Operations Planning Analyst Cover Letter

94273 Chana Viaduct West Granvilleview, MT 83458-9916

Dear Zion Cruickshank,

In response to your job posting for operations planning analyst, I am including this letter and my resume for your review.

In the previous role, I was responsible for overall support to departments through data collection & analysis, process mapping, root cause problem solving and solution design.

Please consider my qualifications and experience:

- Experience with developing complex information into less complex graphs, charts and other visuals
- Proficiency in Timeline, Showcase, Tableau Portal and other querying tools is preferred
- Professionalism, discretion and independent judgment
- Problem solving situations
- Experience using Resource Planning system (SAP, Axiom)
- Requires strong written and verbal communication skills, strong interpersonal skills
- Experience with R especially for dplyr, tidyr, maggitr packages for data mining
- Preferably experience in large-scale data analysis and developing effective statistical models for segmentation, classification, optimization, time series

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Denver Beatty
