

Operations Planning Analyst Cover Letter

2064 Cody PortGrimesbury, KY 43032

Dear Casey Predovic,

I would like to submit my application for the operations planning analyst opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for compensation analysis, benchmarking, data modeling, reporting, and problem-solving in support of the company's overall corporate compensation program.

Please consider my experience and qualifications for this position:

- Experience as an assistant planner on major OPLANs that support counter terrorism (CT) and counter weapons of mass destruction (CWMD) efforts
- Experience participating in planning teams to incorporate possible SOF operations opportunities and understanding the command relationships of those operations
- Analyzing Marine Corps conventional force operations and Special Operations in CENTCOM to track and determine opportunities for integration between the two entities
- Experience developing strategic utility performance programs
- High level of understanding of station operations and maintenance practices
- Previous experience with Regulatory requirements and programs
- Engineering background (Electrical preferred)
- PMP Accreditation

I really appreciate you taking the time to review my application for the position of operations planning analyst.

Sincerely,

Sawyer Monahan
