

Operations Singapore Cover Letter

1426 Collin Drive South Patriaview, WY 83140

Dear Denver Miller,

Please consider me for the operations singapore opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for fund/mandate level information within due diligence processes (support with KYC, SPV set up and onboarding 3rd party service providers).

Please consider my experience and qualifications for this position:

- A good working knowledge of Eclipse
- A good understanding of the capabilities and usage of Mumbai
- Prior experience working within a GB business unit and/or operational support function
- A good working understanding of GB & Mumbai Metrics
- An extensive knowledge of Willis policies, procedures and systems, and a proven track record of navigating the organisation to get things done
- Accreditation or demonstrated knowledge of change management, process modelling, continuous improvement, KPI, quality/Lean methodologies preferred
- Proven track record of change/program management utilising operations applications procedures, processes and tools
- Operations / Process Leadership experience

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Dakota Hilll
