

Operations Team Member Cover Letter

4898 Crona Crest
Gradychester, ID 66663

Dear Robin Reilly,

I submit this application to express my sincere interest in the operations team member position.

In my previous role, I was responsible for framework for the development and maintenance of essential policies and procedures to ensure regulatory compliance and best clinical practices.

Please consider my experience and qualifications for this position:

- Flexibility to perform different roles and be available to work on call
- Previous Food Manufacturing and or Hospitality
- Loading equipment with packaging supplies
- Routinely monitor and action KPI reports to ensure system and stock integrity
- Washes, folds, and stocks member towels and ensures the locker rooms are neat, and orderly

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Baylor Kozey
