

Operations Tech Cover Letter

1944 Langworth LoafWest Sidney, MS 94048-4093

Dear Max Kertzmann,

I submit this application to express my sincere interest in the operations tech position.

In the previous role, I was responsible for new staff with PC/account setup and orientation and provides escalated technical support that requires an on-site presence (PC equipment failure), including data backup recovery.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of industry monetization and competitive trends in video and digital sales industries
- Working knowledge of ad technical operations, tagging configurations and container solutions
- Working knowledge of video ad serving
- Solid understanding of forecasting methodologies and tools
- Flexible and able to accept/drive innovative solutions for complex ad tech stacks
- Have an intermediate knowledge level of Microsoft Office Applications (Word, Excel, Outlook, .) and PC skills
- Oil and gas administrative and accounting experience preferred
- Microsoft Office Suite experience (Word, Excel, PowerPoint, etc...)

Thank you for considering me to become a member of your team.

Sincerely,

Oakley Shanahan
