

# Operations Tech Cover Letter

40568 Ashanti PineKoelpinhaven, NH 90509

**Dear Ryan Lang,**

I submit this application to express my sincere interest in the operations tech position.

Previously, I was responsible for pC and network support by overseeing the administration of the Local Area Network (LAN) for all assigned facilities.

Please consider my qualifications and experience:

- Previous Pinsetter experience
- Positive Guest first attitude
- Read and apply instructions
- Attain a passing score on pre-employment test which includes mechanical aptitude, reading, science, and mathematics concepts
- Be able to drive, stand, walk, climb, bend, stoop, and squat for long periods of time
- Knowledge of ad networks, exchanges and/or auction marketplaces, RTB protocol mechanics, DSP, SSP
- Experience in executing programmatic contracts and campaigns
- Intimate knowledge of digital ad industry pricing and digital vendors/partners requirements

**Thank you for considering me to become a member of your team.**

Sincerely,

Spencer Schulist
