

Oracle Cloud Cover Letter

1299 Kozey Inlet New Nathanael, HI 59726

Dear Rowan Jacobi,

I would like to submit my application for the oracle cloud opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for consulting services to application teams looking for build AWS-based applications, providing design and implementation support as needed;

Please consider my experience and qualifications for this position:

- Oracle Sales Cloud- Oracle Incentive Compensation (OIC) -Experienced with Cloud Technologies preferably Oracle (HCM, ERP etc) or other SPM Vendors (Callidus)
- Experience working with Oracle Service Cloud or similar (SaaS) customer service platforms
- Agile methodology utilizing Jira
- Oracle Service Cloud administration experience preferred, but a similar (SaaS) system and an aptitude to learn quickly also valuable
- Knowledge of SOAP/REST API's and xml messages an advantage
- Experience of ETL tools would be beneficial Talend or Informatica
- Using tools such as RELIC or PuTTY to monitor/troubleshoot middleware integration traffic an advantage
- Understanding of email systems (Outlook) and spam handling

Thank you for considering me to become a member of your team.

Sincerely,

Sutton Witting
