

Oracle HCM Cloud Cover Letter

82179 Shantae Crossroad Balistreristad, IA 30753-9610

Dear Charlie Bode,

Please consider me for the Oracle HCM cloud opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for guidance to both the business and IT on WD best practices and how those should fit into Acxiom's HR Business Processes.

Please consider my experience and qualifications for this position:

- Hands-on technologist with configuration, integration & data migration experience on Oracle HCM Cloud platform
- Prior PeopleSoft programming experience on SQR/SQC, Application Engine and PeopleCode will be desirable
- Work closely with the Business Analysts and Functional Consultants to gather requirements for reports, interfaces, extensions, integration and conversions for Oracle HCM Cloud
- Develop technical design and documentation for Oracle HCM Cloud dependent data conversions, interfaces, custom reporting, and custom applications including use of documented revision control
- Participate in the design, development and maintenance of Conversions, Modifications/Customization's and Interfaces to/from Oracle HCM Cloud
- Open, manage, and resolve Oracle Service Requests with Oracle Support
- Experience with integrating Cloud HCM/Oracle EBS applications with third party vendors or products
- Experience in developing fast formulas, writing Oracle SQL/PLSQL code, BI Publisher, OTBI, XML Publisher, HDL and HCM Extracts

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Bellamy Legros
