

Oracle HCM Cloud Cover Letter

76876 Brock DriveRitchiestad, SD 60701-0777

Dear Emerson Keebler,

I submit this application to express my sincere interest in the oracle HCM cloud position.

Previously, I was responsible for support to the Workday system with a focus on business processes and application support activities including release management, configuration, security, and optimization.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Dealing with health unions preferred
- Project Management experience on Oracle teams
- Proven management track record, leading teams
- Client facing experience with high profile clients
- Successful track record in selling SaaS solution in HCM, ERP or CX
- Experience in digital selling skill to build customer relationships and learning new technology
- Fluency in written and verbal communication in English and Asian language
- Fluency in English and Norwegian is essential

Thank you for taking your time to review my application.

Sincerely,

Blake Bernhard
