

Oracle HCM Cloud Cover Letter

6840 Blick Pines East Francisbury, FL 27843

Dear Campbell Wehner,

I would like to submit my application for the Oracle HCM cloud opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for subject matter expertise on system impacts when discussing and developing new business processes with customers, users and managers.

My experience is an excellent fit for the list of requirements in this job:

- Prior PeopleSoft programming experience on SQR/SQC, Application Engine and PeopleCode will be highly desirable
- Experience working with/solutioning integrations external interfaces to 3rd party benefits, Banks for ACH deposits
- Strong HCM knowledge and experience in implementing Extracts across all modules (HR, Payroll , Benefits & Compensation), HDL and PBL based data Loads, ATOM framework, and HCM Rest API's
- Strong grasp of HCM data model and UE's
- Prior experience of implementing middleware based integrations for HCM
- Prior experience around architecting HCM cloud Extensions in Oracle PaaS
- Able to manage/deliver large Technology projects, including experience planning and estimating large HCM implementation/upgrade projects
- HCM Extract

I really appreciate you taking the time to review my application for the position of Oracle HCM cloud.

Sincerely,

Briar Erdman
