Dear Ari Volkman,

I submit this application to express my sincere interest in the oracle marketing cloud position.

In the previous role, I was responsible for technical expertise to meet current and future security design, as well as architecture requirements for IaaS, PaaS, and SaaS implementations;.

My experience is an excellent fit for the list of requirements in this job:

- Strong background with sales and demand gen program KPI and analytics
- Highly analytical, good at breaking down problems, dissecting processes and optimizing workflow
- Motivated to work collaboratively in a fast-paced, ever-changing environment to help our growing business
- Bring strategic thinking and excellent problem-solving skills to a range of complex business challenges
- Communicate effectively with peers, internal stakeholders
- Assist with putting together the proposals and bids as it relates for CX Cloud opportunities
- Work directly with the CX Cloud team in terms of capabilities, knowledge, solutions
- Certification in Oracle CX Products

Thank you for your time and consideration.

Sincerely,

Robin Bernhard
