Dear Ari Fahey,

I am excited to be applying for the position of oracle PL-SQL. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for knowledge, and experience to other developers on the architecture, design, and delivery of cost effective and sustainable solutions.

Please consider my experience and qualifications for this position:

- Desirable to have working knowledge of - Informatica (any version) & Mainframe basics
- Pro-active and capable of taking ownership of tasks
- Tuning of SQL Queries to improve performance of a system
- Knowledge of Microsoft .NET, Agile and Test Driven Development will be an advantage
- Able to work proactively and independently with minimal supervision
- Hands-on SQL and PL/SQL development knowledge
- Hands-on performance tuning knowledge will be an added advantage
- Knowledge of other databases like DB2, Mongo DB will be an added advantage

I really appreciate you taking the time to review my application for the position of oracle PL-SQL.

Sincerely,

Brooklyn Schinner
