

Oracle PL-SQL Cover Letter

620 Reichert Alley
Sukchester, WA 57014-3840

Dear Alexis Brekke,

I am excited to be applying for the position of oracle PL-SQL. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for ongoing support and maintenance to Data platforms in Hadoop, SQL, Teradata, and/or Oracle including ETL and Data Modeling to support the engineered solutions.

My experience is an excellent fit for the list of requirements in this job:

- Experience with Java server side software development
- Experience with Linux Batch scripting and monitoring
- Experience with Azure Cloud is highly desirable
- Experience with Data Analytics and Data Analytics tools
- Strong working knowledge of PL/SQL and UNIX Scripting
- Possess commanding PL/SQL knowledge and hands on working experience with complex/large database packages, procedures, functions, triggers and Views
- Hands-on work experience in Oracle Forms/Reports
- Has demonstrated an understanding of fundamentals of requirement specification, design, coding, and testing of information systems

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Tyler McGlynn
