Dear Morgan Bergnaum,

In response to your job posting for oracle PL-SQL, I am including this letter and my resume for your review.

In my previous role, I was responsible for inputs to data modeling regarding the source data for the same.

Please consider my qualifications and experience:

- Hands on experience with Informatica, Oracle PL/SQL
- Nice to have OBIEE Knowledge
- Prior industry experience in Buy-side or Sell Side Financial Services, preferably in Asset Management lines of business, and would have worked in Agile development teams
- Proven hands-on experience in Oracle PL/SQL, ETL development and Data Analysis in a high volume, highly available environment
- Has knowledge of new and legacy technologies, has knowledge of the relevant platforms and environments to provide innovative, insightful and secure solutions
- Oracle Database Appliances (ODA) (a strong asset)
- Experience with Windows including basic commands and shell scripting
- Good understanding of ETL concepts

Thank you for your time and consideration.

Sincerely,

Royal Schneider
