

# Pantry Cook Cover Letter

7368 Buster Track North Jordon, GA 47929

**Dear Baylor Willms,**

I submit this application to express my sincere interest in the pantry cook position.

Previously, I was responsible for deli/bakery/bistro items per customer requests in the correct portion size or as close as possible to the amount ordered in order to prevent shrink by using proper bakery equipment.

My experience is an excellent fit for the list of requirements in this job:

- Pack and Serve Food Boxes
- Breakdown Cardboard Boxes for Recycling
- Sweep and Mop Work Areas
- Clean and Disinfect Work Areas and Equipment
- Cook Food and Serve Food
- Be familiar with and maintain the standards set by Food Bank CNY and NY State Health Dept
- Keep an up to date inventory
- Make sure program areas are clean before and after programs

**I really appreciate you taking the time to review my application for the position of pantry cook.**

Sincerely,

Shae McClure
