44198 Spinka LodgeCorwinside, MI 35781-0105

Dear Haven Strosin,

I submit this application to express my sincere interest in the parking attendant position.

Previously, I was responsible for directions and assistance to guests and visitors regarding parking fees, permits, enforcement, busing/shuttles, special events, and locations of personnel/offices.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Replacing damaged meters
- Training in other Parking and Transportation Services jobs
- Substituting for other employees when needed
- Safely operate different types of vehicles
- Maintain simple records
- Learn and apply rules, regulations and guidelines
- Understand and effectively carry out instructions
- Observe and practice appropriate security and safety precautions

I really appreciate you taking the time to review my application for the position of parking attendant.

Sincerely,

Zion Hackett
