

Parts Manager Cover Letter

21682 Leannon Creek Lake Sarinachester, UT 45848

Dear River Hirthe,

I submit this application to express my sincere interest in the parts manager position.

In my previous role, I was responsible for support in reporting and analysis of revenue and lead generation activities through close communication with Marketing Analyst, sales and field operations teams.

Please consider my experience and qualifications for this position:

- Effective PC skills, (Excel, Word, PowerPoint)
- Strong administrative and general business skills-good business planner
- Strong background in marine or automotive parts distribution
- International education
- Regional Rail Business development with Engineering content
- Computer and network proficiency
- Able to handle stressful situation
- Pressure to deliver results with limited resources and time constraints

Thank you for considering me to become a member of your team.

Sincerely,

Brooklyn Lehner
