

Patient Access Manager Cover Letter

4564 Anderson Views East Veliaville, MI 72130

Dear Ari Wiegand,

I submit this application to express my sincere interest in the patient access manager position.

Previously, I was responsible for service to KA team on Hana system for biz report and adiportal system for order collection.

Please consider my experience and qualifications for this position:

- BS/BA in a relevant field such as public health or health economics
- Work, direct, and take direction from various levels of management
- Advanced personal computer skills, including experience with Microsoft Office and Sales Force.com
- Polished communicator- written documentation and oral presentations/ discussions/ meeting
- Comprehensive Hospital Admission and Registration experience
- Some formal strategic planning training
- Able to lead 25-50 employees
- Experience in a Clinic/Hospital financial business operations

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Emery Grimes
