

Patient Access Services Cover Letter

37935 Gisela Islands East Venessaburgh, IL 56121-3568

Dear Gray Rath,

In response to your job posting for patient access services, I am including this letter and my resume for your review.

Previously, I was responsible for specific and actionable advice and guidance on registration requirements and the development of procedures and systems to address the requirements and mitigate risk associated registration, disclosure and reporting requirements.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of Medical Necessity review guidelines (Local Medical Review Policy, Local Coverage Determinations and National Coverage Determinations criteria) for commercial, Medicare, and Medicaid insurance products
- Experience with multiple registration information systems, preferably with McKesson applications
- Or FHFMA
- Knowledge of hospital billing, insurance and scheduling processes and procedures
- Possesses and maintains knowledge of current regulatory and third party payer changes with respect to authorizations, verification requirements to support billing reimbursement
- Professional qualification desirable in Health Economics/Healthcare management
- Strong strategic commercial insight on developing national marketing or market access strategies in the pharmaceutical industry
- Extensive and up to date knowledge of MENA country Healthcare environment, regulations, policies and procedures at national and sub-national level (if applicable)

Thank you for taking your time to review my application.
