

Patient Access Services Cover Letter

42017 Zulauf WellNew Robbyport, NH 45178-8238

Dear Landry Leannon,

I would like to submit my application for the patient access services opening. Please accept this letter and the attached resume.

Previously, I was responsible for elbow support in all aspects of the registration areas (inpatient, outpatient, and Emergency Room).

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Clear track record of working with customers and stakeholders internally and externally at all levels to influence and implement market access strategies and plans
- Strong customer facing experience with payers within the market
- Experience of managing national submissions with a successful outcome and direct commercial experience of a product launch within country
- Strong understanding of the link between clinical data and health economics
- Broader expertise around Regulatory & Pharmacovigilance
- Good written and spoken English & Arabic language skills
- Knowledge of Epic Systems preferred
- Consult with brand management to change, modify or discontinue programs based on changing market dynamics among payers, distributors, patients and physicians, or legal and government policies

I really appreciate you taking the time to review my application for the position of patient access services.

Sincerely,

Marion Bashirian
