

# Pharmacy Tech Cover Letter

14455 Murray SpringsLake Colene, AR 16028-0914

**Dear Lennon Blanda,**

I would like to submit my application for the pharmacy tech opening. Please accept this letter and the attached resume.

Previously, I was responsible for information to associates regarding available pharmacy benefits and services including: mail order, specialty pharmacy, and other pharmacy programs and initiatives.

Please consider my qualifications and experience:

- Use mathematics to solve problems
- Write effectively
- Effectively train others on the store/pharmacy team
- Be socially perceptive, aware of others' reactions and understanding why they react as they do
- Actively learn, understanding the implications of new information for both current and future problem-solving and decision making
- When at work, stand for long periods of time
- Demonstrate dexterity with hands and fingers, filling bottles, labeling bottles, rotating products
- Bend and twist back while maneuvering pharmacy products and supplies

**I really appreciate you taking the time to review my application for the position of pharmacy tech.**

Sincerely,

Parker Barton
