

Pharmacy Tech Cover Letter

1335 Glenn PrairiePort Lidashire, NH 51302-3281

Dear Bellamy McGlynn,

Please consider me for the pharmacy tech opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for requested drug information to healthcare professionals and patients, participate in clinical pharmacy services, and provide pharmaceutical care to patients as delineated by the Department of Pharmacy.

Please consider my qualifications and experience:

- Appropriately notifies the correct entities if a patient has not adhered to the monitoring parameters established by the prescribing provider
- Process refill requests received from pharmacies via fax or EMR with accuracy and precision
- Provides daily refill request information to the E-Fill Supervisor
- Consistently and positively communicates and collaborates with colleagues, supervisor, and customers (internal and external), both orally and in writing
- Help streamline the e-fill process for patients and clinic staff
- Educate the clinic staff regarding the e-fill process
- Under very little supervision, admixes drugs as ordered by physician in an accurate and timely manner
- Prepare medication orders by compounding or admixing medications under supervision of a physician

Thank you for considering me to become a member of your team.

Sincerely,

Landry Considine
