

# Pharmacy Tech Cover Letter

4620 Clay Corners New Iona fort, UT 14389-8625

**Dear River Lesch,**

Please consider me for the pharmacy tech opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for on-going communication to providers and staff regarding generic pipeline, drug cost analysis, and other clinical pharmacy initiatives via presentations, newsletter information and formal utilization review.

Please consider my experience and qualifications for this position:

- High school diploma or equivalent and Certified Pharmacy Technician (CphT) Pharmacy Technician Certification
- Completion of an ASHP accredited program or community college-based program recommended
- Successfully completed and passed prescription processing proficiency exam
- Good math skills needed for counting, measuring, and weighing medications
- Knowledge of brand name/generic medications
- Successful completion of PTCB OR equivalent National Pharmacy Technician Certification examination in accordance with Board of Pharmacy registration requirements and no later than 9 months of employment
- Assist with assuring all sites are in compliance with accreditation, quality assurance, legal and other regulatory requirements
- Deliver orders to the pack team

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Baylor Koelpin
